

Full- or Part-time Employment Alert for:

Augmentative Communication Specialist

SPEECH PATHOLOGIST

needed to serve Central and Northern New Jersey

Are you a Speech Pathologist looking to specialize in AAC?

Join Cerebral Palsy of New Jersey's statewide mobile assistive technology services program and work with children and adults with all types of disabilities.

Duties include:

- ✓ Travel to schools and homes to provide on-site assessments, and provide technical assistance to help AAC users to achieve functional communication in natural environments.
- ✓ Provide workshops on such topics as implementing AAC use in the classroom, and communication options from low-tech to high-tech.

The **Speech Language Pathologist** will provide services at our Ewing office, and on-site, at homes and schools. We offer on-the-job training and professional development opportunities.

Position: Full- or Part-time

Available: Immediately

Applicants should send resume and salary requirements to:

Shari Singer
Cerebral Palsy of New Jersey
1005 Whitehead Road Extension, Suite 1
Ewing, New Jersey 08638
fax: 609-882-4054
